1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)

The attendance officer is Mrs B Sukara-Fielding and can be contacted via 01902 558575 bsukara-fielding@claregateprimaryschool.co.uk

3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions daily, they will mark all absences as N unless already marked otherwise. The attendance team will amend these using information from the absence email and/or phone calls to parents using the relevant codes (see Appendix 1). Registers will be closed at 9am so attendance staff can begin daily calls to those who are absent.

3.6 School Admin staff

School Admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on SIMS using the comments section on the register.
- Transfer calls from parents/carers to the attendance team where appropriate, to provide them with more detailed support on attendance if required.

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Inform the school of their child's absence before 8.30am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Provide medical evidence where appropriate
- Co-operate with the Leave of Absence process
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting Miss Evans or Mrs Fielding who can be contacted through the normal school channels or by email absence@claregateprimaryschool.co.uk

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time when they are fit and well enough to do so.

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school gates open at 8.30am and taught lessons start at 8.45am. The school day ends at 3pm.

Pupils must arrive in school by 8.45am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9am. The register for the second session will be taken at 12.50pm (Foundation Stage and KS1)/ 1pm (KS2) and will be kept open until 1.10pm

4.2 Unplanned absence (e.g. illness)

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.30am or as soon as practically possible, by emailing the school using this address absence@claregateprimaryschool.co.uk using the schoolcomms app or calling the school office on 01902 558575.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Notice should be given by email to absence@claregateprimaryschool.co.uk or by calling the school admin team on 01902 558575. However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code

- After the register has closed will be marked as absent, using the appropriate code

Parents who bring their child to school late on more than 5 occasions in a 4-week period will be invited to a discussion with Mrs Fielding to ascertain reasons for lateness and how the family can be supported to bring their child into school on time. If this persists they will be invited to a meeting with the Attendance Champion and if there is no further improvement the headteacher will invite them to a meeting.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Contact the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may complete a home visit or refer to the police for safe and well checks if there are safeguarding concerns. N.B Parents/Carers should not rely on this. There may be times when the school is short staffed. It is a method of challenging and supporting attendance.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with school may: invite families to meet with the EWO, issue a notice to improve, penalty notice or other legal interventions as appropriate (see section 5.2)

4.6 Reporting to parents

The school will regularly inform parents about their child's attendance and absence levels via the biannual reports and at parent consultation meetings. A weekly class by class attendance report is sent to all parents.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances – these will be considered on a case-by-case basis

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, considering the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via

<https://www.wolverhampton.gov.uk/sites/default/files/2024-08/Parental%20Information%20Leaflet%20-%20Leave%20of%20Absence.pdf>

The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Genuine illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance obligation – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

There may be times when the school and parent/carer disagrees about whether an absence should be permitted. The school will listen and take circumstances into account BUT absences may not be authorised, if the school do not believe that reason is applicable.

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on a case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

At Claregate Primary School we promote, reward and incentivise good attendance in a range of ways. Weekly whole class attendance is rewarded in assemblies with the winning class holding the 'Attendance Cup' for that week. The weekly attendance percentage for each class is displayed on a central noticeboard.

For families who are making sustained improvements to their child's attendance the children will receive rewards such as extra time with the Sports coaches, stickers and prizes from the attendance team or stickers and time with the Headteacher.

For those families who consistently maintain their child's attendance termly reward badges are given. (100% Gold award, 98% – 99.9% Silver award, 96% - 97.9% Bronze award)

To support families in improving attendance we will work together on attendance plans that seek to overcome the barriers to good attendance that families are facing.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Where there are complex barriers to attendance the attendance team will work with families on an individual basis to remove in school barriers. They will use the Wolverhampton EBSNA pathway <http://www.educationalpsychologywolverhampton.co.uk/parents/emotionally-based-school-non-attendance.html> and seek advice from external agencies such as the Education Psychology team to explore how we can work with families in a restorative manner to support the child back in to school. All options will be open for discussion and school may also use the Early Support Planning process to form a team around the family.

7.2 Pupils absent due to mental or physical ill health or SEND

Children who are absent due to mental or physical ill health or SEND will also be worked with in a restorative manner on an individual basis where the attendance team, parents, medical staff and school staff work together in a multi-disciplinary team to ensure that the child's needs are being met in an appropriate way. Regular meetings will be held with the team to reflect on plans and ensure that they are meeting needs. Support from external agencies will be welcomed and catered for in school and modifications made to timetables can be made if this supports the long term wellbeing of the child.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Where a pupil is returning to school after a lengthy period of absence school will hold a meeting with the child and family prior to their return so that we may work together to plan a phase return that will best support the child's individual needs. This will allow modifications and adjustments to that child's in-school provision that ensure a smooth and successful return to school life.

8. Attendance monitoring

The Attendance team monitor attendance and absence data systematically using the school information management system, the DfE dashboards and benchmarking Claregate Primary School attendance against local authority, regional and national data.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) weekly, half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level as well as identifying specific groups that may be causing concerns.

Specific pupil information will be shared with the DfE on request. The school has granted the DfE access to its management information system to the data can accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

Claregate Primary School will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinator, designated safeguarding lead and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school

- Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
 - Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
 - Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum biannually. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:
